Mountain Dew is joining truTV to help fuel the fun in San Diego as part of the brand’s year-long, fan-engaged partnership with the *Impractical Jokers*. Building on their robust, multi-platform campaign, Mountain Dew will have exclusive ownership of this interactive fan experience with high-impact touchpoints throughout the block party. To extend the fun to fans at home, videos will be shot on-the-ground, shared across truTV’s social handles and optimized via Tuner’s optimization capability Launchpad. Complimentary Mountain Dew and Pepsi products will be available on-site to fuel all-day refreshment.

The Mountain Dew partnership with truTV’s Impractical Jokers was negotiated by DEW’s media agency OMD and developed and executed by Omnicom Media Group’s Content Collective and Turner.
